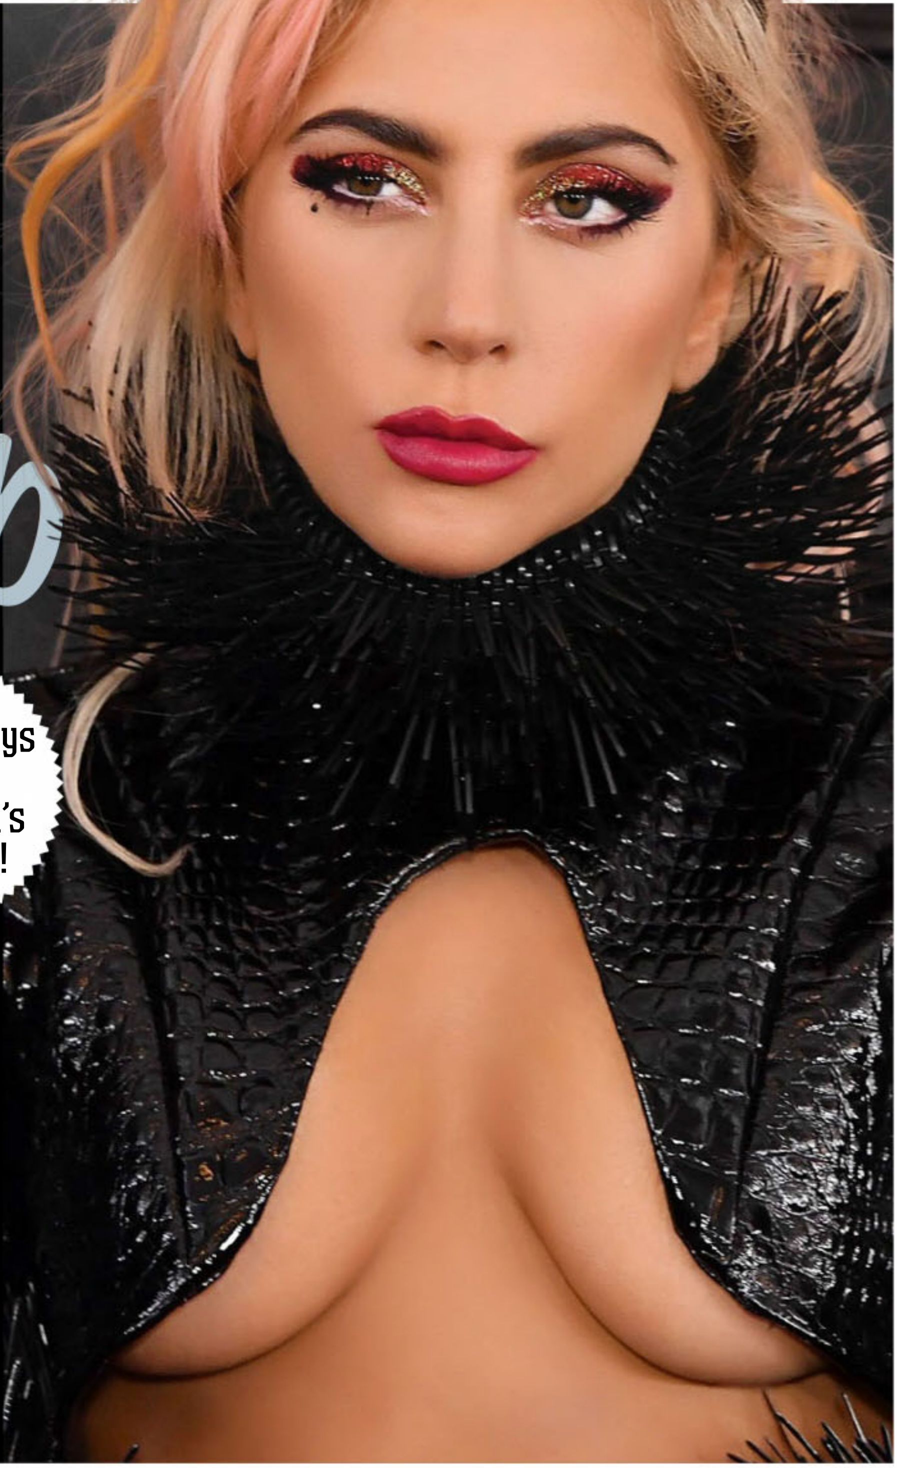
LADY AND THE *blamp*



The Grammys were all about Gaga's mammies!

FRESH from rocking the socks off jocks' cocks during the Super Bowl half-time show in Houston, Texas, the one and only **Lady Gaga** arrived at the Grammy Awards in Los Angeles, California wearing this UNBELIEVABLY UNDERBOOBY outfit.

The other unexpected bonus of the evening was 30-year-old Lady G teaming up with METAL GODS Metallica for a performance of their song *Moth Into Flame*…or it would have been if James Hetfield's microphone was working. What a disgrace.

Still, Gaga carried on like the trouper she is and looked FUGGIN' SMOKIN' doing it, dancing like a mad thing. By this point, she'd changed into a more traditional rock chick get-up of boots, fishnets, leather hotpants and ripped Metallica tee.

We'd like to think she kept this TITTAY-EXPOSING TOP for future special occasions, though. You never know when you're gonna be invited to a bingo game at the local church hall.

HO FOR Teache

Porn queen gives us some lusty lessons in love

WHEN adult movie superstar **Nicole Aniston** isn't making our knobs explode with her carnal efforts in flicks like *Melts in Her Mouth, There's Never Enough Nurses, Nicole's Work Is Never Done* and *Yoga Freaks 7*, she's handing out SEX ADVICE to her grateful male fans. ▸

r

It's a perfect job for the 29-year-old California gal who knows plenty about the INS AND OUTS of making lurve.

So what type of bloke turns on Nicole?

"I'm more sexually into a man who's responsible, lives a normal life and is a good guy," she explains. "I'm over the hard bodies, the athletes …I'm over it. I just want a nice guy with a similar sense of humour. Coming home to someone like that at the end of the day is sooooooooooo extremely sexual. I'd really look forward to that."

How DOES a guy go about chatting her up?

"I appreciate a genuine conversation…super-simple stuff," she says. "No ego. No pick-up lines."

And DON'T invite her to your next boozy barbecue, fellas, 'cos Nicole is a full-on VEGAN TEETOTALLER.

As for kissing, the porn star says fellas should avoid using too much tongue or swapping spit when locking lips.

"I immediately know from a guy's kissing ability how he's gonna be in bed," she growls. "A guy's NEVER a bad kisser, then good in bed."

So what does she look for in a top lover?

"I like to be teased, so I like a guy who doesn't just go RIGHT FOR MY VAGINA. I like the build-up, the tension… a guy who takes his time. I love biting and spanking. I want a guy who knows what he wants."

In what possie should he frig Nic to ORGASMIC BLISS?

"Closed-leg, flat-lying doggie. Or spoon: it hits the G-spot."

Duly noted, mate.

‘I LOVE A GUY WHO TAKES HIS TIME DURING SEX’

SHEER NERVE

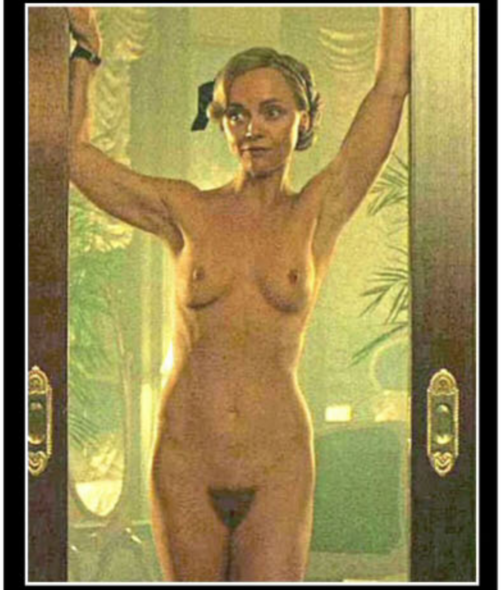
HADIDDIES!

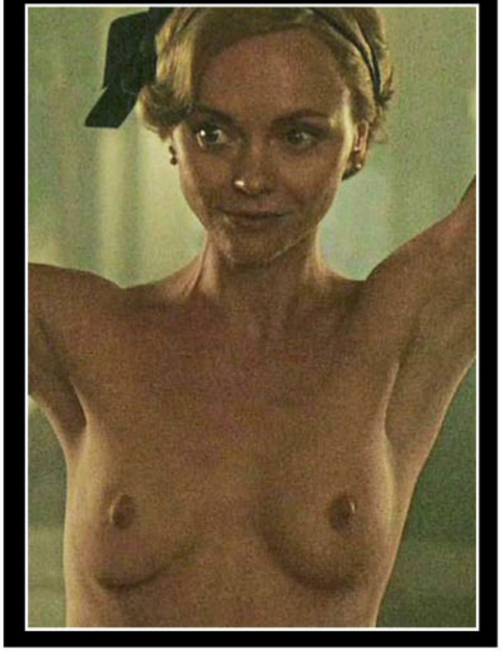
"YOU'RE not going out wearing THAT, are you?" Oh, sorry, for a second there we thought we were Bella Hadid's mother. Not that this fancy ball in Paris was the first time the 20-year-old It Girl has been snapped in TRANSPARENT CLOBBER. Check out her recent *Love* mag spread (example top left) for more AREOLAE ACTION.

RAUNCHY RICCI

ALMOST EVERYTHING

CUTIE **Christina Ricci**, 37, is back on our radar in a BIG WAY in telly series *Z: The Beginning Of Everything*. We could pretend it's 'cos we were desperate for a fictionalised account of the life of US writer/socialite Zelda Fitzgerald. However, the ACTUAL REASONS are plain to see...and would be even plainer without that merkin.





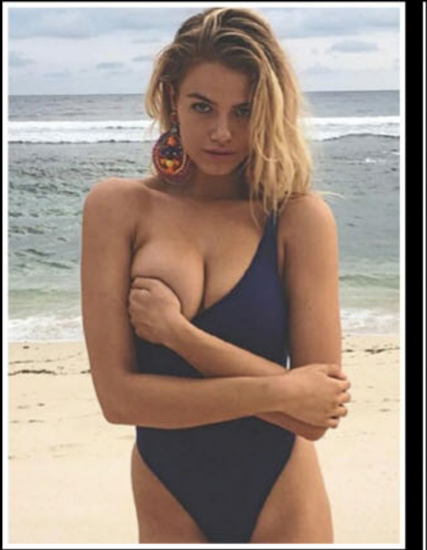
TOP DROPLETS

HEAVENLY BODY

NEVER predictable but always extremely rootable, **Natalie Portman** has followed her turn as JFK's shellshocked post-assassination missus in *Jackie* with this BIT OF BOTTY-BARING in 2006 French period mystery *Planetarium*. Natski, 35, plays one of two sisters who reckon they can converse with the dead. This water-assisted outdoor scene's certainly brought our STIFFS to life!

SHARING THE LOVE

The freshest flesh on celebrity social media



WHY is *Sports Illustrated* Swimsuit Issue babe **Hailey Clauson** squeezing her RIGHT RACKLET? Dunno, but can you blame her?

THOSE are gonna hurt when you peel 'em off, Russian model **Olga Kobzar**. Cleverly gets around Instagram's NIPPLE-PHOBIA, though.

LEGENDARY Yank pin-up Christie Brinkley clearly passed on her SEX-TASTIC GENES and love of sunbathing to daughters **Alexa Ray Joel** (front) and **Sailor Lee Brinkley Cook**.

MATURE VIEWAGE

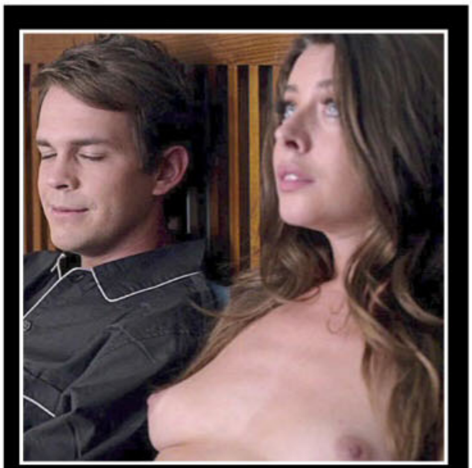
BARE MOSS IS OUR GAIN

BEING 43 agrees with Pomgolian supermodel Kate Moss. "Yes," it says, "your CHEST PILLOWS are looking better than ever. Gone is the 'heroin-chic' waif of yesteryear, replaced by a woman proud of her curvier bod and not afraid to show it off TASTEFULLY NUDE in the March issue of *W* magazine." It's very chatty, is 43.

HONEY GOLD

DOOR KNOCKER

THE topless lass opening the door is ELVIS PRESLEY's grand-daughter, **Riley Keough**, 27. If you aren't aware, she's an actrine. And this is her portraying a character named Krystal, who manages a team of salesfolks in an arty 2016 movie called *American Honey*. If she's selling CASUAL FUNBAG FLASHES, then we're buying!



BLOOMIN' LOVELY

DUNLOP UP TOP

NOW that's the expression of someone who can't believe his luck! *The Late Bloomer* (2016) is a rom-com about an adult fella who has a medical procedure that causes him to go through BASTARD PUBERTY in full over a three-week period. A highpoint of the journey is surely being in bed with Montana (**Roxanna Dunlop**).

MEET **Masha Gutic**, a module who could be mistaken for Sophie Monk's EVEN HOTTER younger sibling. Er, not that we know her age. But we do know she's Russian, which probably rules her out as the Aussie bombshell's lil' sis. Moving on... The pics you're admiring are SIZZLIN' SAMPLES from Masha's Igor Oussenko shoot for style website *Editorial Fashion Trends*. You're welcome.

The very best bits of TV's raunchiest drama!

WE WEPT a little from three eyes – most notably our HOG'S EYE – when we learnt the news late last year that ***Masters Of Sex*** was ending.

For four fuck-filled, funbags-flashin' seasons, the Seppo teevee drama kept audiences riveted and ERECT as it told the amazing story of William Masters and Virginia Johnson and their pioneering research into human sexuality during the 1950s, 60s and 70s.

Of course, being as they studied SHAGGING for a living, each episode was chockers with BEAUT FEMALE NUDITY.

Leading the way was the exquisite **Lizzy Caplan**, who portrayed Virginia. But she was…ahem, well-supported by a gaggle of gazonga-wielding gals including Seppo funnywoman **Sarah Silverman**!

Aussie fans can watch the final season of *Masters Of Sex* online on Stan. In fact, you can now view the entire series there.

But if you can't be arsed signing up to Stan, then just be like us and perv on some of the RETRO RUDENESS in this special feature!

Only if they can wrap their lips around some rather meaty ORAL tests.

SHE GOT HEAD

A FLORIDA stripper has shocked local authorities after posting a video on Twitter of her BONKING a mystery fella in a Jacksonville courthouse!

Brittney Jones tweeted, "Had so much fun at court today. Found a way to get my charges dropped.... Ssssssh, don't tell."

The 34-second video shows why she's nicknamed "SUPERHEAD" as the peeler expertly SUCKS OFF, then rides a guy on a bench in an empty corridor outside the courtroom!

It comes as no surprise to learn Britt also makes pornos under the name of Serenity Williams.

WHERE'S DA' BEEF?

VETERAN Seppo bull rider Mike Lee may have taken a hard fall while competing recently in Sacramento, California…but that's gonna be nothing to the feeling when half a ton of angry bovine lands on top of him!

LOUNGING AROUND

TWO Canadian dudes didn't wanna get off the couch to go get some Maccas. So they DROVE THEIR COUCH to the drive-thru instead!

Cops arrested the New Brunswick men – described as "intoxicated" – after they were spotted on the lounge being towed behind an ATV at 3am.

"When the officer put his lights on, the four-wheeler took off with the sofa still attached," said a spokesman, "but he left his two passengers from the sofa at the drive-thru."

The driver got away but his mates were arrested 'cos it's illegal to tow a couch into a drive-thru in Canada.

BUILD-A-BURGER

WE NEVER thought you could have more fun with Lego than playing with them…till we discovered you could EAT THEM AS WELL! Actually, it's not a wise idea to eat the tiny building blocks, but you CAN chow on Lego-inspired hamburgers at Filipino restaurant Brick Burger. The joint offers burgers in bright colours and familiar shapes that remind you of Lego without using that word (for legal reasons, no doubt).

FUCK-OFF FACTS

- **Denmark's Ole Kirk Christiansen opened a toy company in 1932 and produced WOODEN TOYS, but the company only became huge in 1949 when Ole invented plastic "Automatic Binding Bricks". We now know them as the less clunky-sounding Lego.**
- **Champion Australian Glenn Suter set a Guinness World Record in 2011 when he drove a motorised couch at a top speed of 163km/h at Camden Airport, NSW. That couch is NO SLOUCH!**

SHARK ME!

THE blue waters of Botany Bay in Sydney turned BROWN when swimmers spotted A GREAT WHITE SHARK cruising the shallows mere FEET from them! The jagged-toothed bastard put the wind up locals at several beaches.

Russian model Viki Odintcova, 23, recently dangled from the 300m-tall Cayan Tower in Dubai, the only thing stopping her from plummeting to her doom being the sweaty handgrip of her nervous assistant.

THANKS for introducing me to Yank porn star Adriana Chechick ("Anal-ysing Adriana", February 27). TINS WINS

CAN YOU DIG IT?

I'VE noticed a lot more BEER IN CANS at my local bottle shop. Is this just cost-cutting by the companies? Nobody really prefers cans to bottles, do they?

Dale, ACT

It's partly that cans are cheaper and more enviro-friendly to make/transport/store. They also protect the PRECIOUS FLUIDS inside better from light and air. We prefer stubbies, but if you're pouring your beer into a glass anyway, then what's the harm in purchasing tinnies?

JUBBLING BROOK

CANCELLED DATES

IS IT just me or are there heaps less BOOBY CALENDARS on the market than in previous years? I couldn't find a decent 2017 one to hang in the garage. Had to go with a sports car calendar instead.

Des, Tas

You're not wrong, Des, and we blame POLITICAL CORRECTNESS GONE BATSHIT CRAZY. Busty schedules are alive and well in the UK, though, as demonstrated by glamour legend Kelly Brook's latest ripper (available from www.danilo.com).

Lex, NT

Lex, we believe you're recalling the 1993 movie Return Of The Living Dead III *and its undead babe, Julie Walker, played by actress Mindy Clarke. Trust us, you weren't the only young fella profoundly affected by her weird combination of REPULSIVE AND ATTRACTIVE.*

CONGRATS on winning the award, Jenna. You deserve it. What do you like most about lezzo porn?
"The sensuality and passion. I love that it's all about the girls getting off, and makes for beautiful scenes."
You've always been into all-gal stuff, even before you got into the business?
"I've never been into straight porn, but I would get so wet from watching lesbian porn."
And what do you dig about the chicky-babes?
"Their beauty. I love curves and I'm a sucker for a great smile."
What possie gets you off best?
"My favourite position is PRETZEL."
Pass the salt! The greatest thing about being in the jiz biz?
"Eating pussy. Duh!"
If we asked for a standout DVD of yours, which one would you recommend, mate?
"*Fuck The Police* is definitely a must-own! You can watch me get fucked by 'Officer' Lily Cade in my first strap-on scene. It was so intense – I even SQUIRTED. Overall, there's so much going on in that movie, you'll absolutely love it!"
You're a big fan of Lily, obviously.
"Yeah, 'cos she's real; an artist who sticks to her visions and turns them into reality. Lily's a great model, actress, director and porn role model."
For our twat-licking readers, how can they improve their MUFF-NUZZLIN' WAYS?
"My advice would be to talk to your sexual partner. Get to know what turns them on and off, their sexual fantasies and what feels good for them. Be selfless to ultimately feel their pleasure and indulge in their satisfaction."
Sounds like solid advice for lezzers and non-lezzers alike. Thanks, Jenna.

IN THIS fillum about Hollywood horrors, Al plays an actress willing to do anything to make it – including rocking a CHROME DOME. The star later admitted her hairlessness was the product of a bald cap and hours in the make-up chair. That said, the look suited Ms Essoe and we wouldn't be surprised if she's running a LADY REMINGTON over her noggin right now.

THE BALD & THE beautiful

Hair-hating honeys are here to shave the day!

WE LIKE holding onto a woman's long, flowing hair while doing her from behind as much as the next MAD ROOTER. However, we also like variety. Which is why we wouldn't kick a lass out of bed for having NO HAIR or only a bit of close-shaved fuzz. On the contrary, we'd ask her if she could dip her bare bonce in vanilla custard and rub it roughly across our…ahem. Never mind. The point is BALD SHEILAS are enticing in their own special way. Here are some of our favourites.

NATALIE PORTMAN

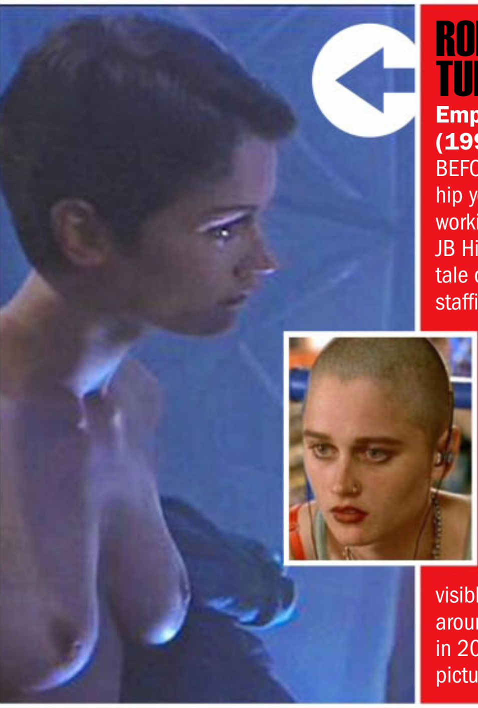
V For Vendetta (2005)

WE'LL forgive Nat's stubble in *Vendetta* because it's not often an A-list star legit CHOPS HER LOCKS. If dystopian political thrillers aren't your thang but shy-naked petite spunks are, then you might prefer watching the Port-meister (as she's not known) in arty 2007 short *Hotel Chevalier*.

ROBIN TUNNEY

Empire Records (1995)

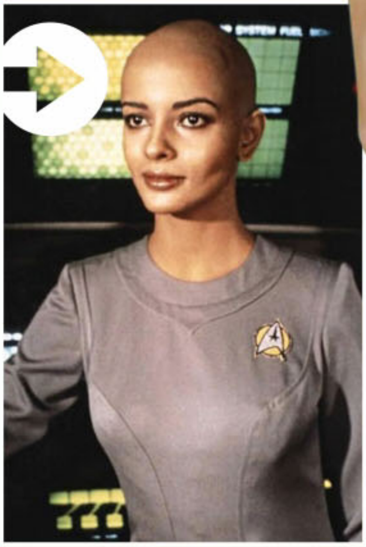
BEFORE all of the hip young'uns were working at your local JB Hi-Fi, there was this tale of hip young'uns staffing a Seppo record store. Rob's character, Debra, actually takes SCISSORS AND A RAZOR to her tresses in the flick – no faking here! Likewise, there were no fakies visible when she got around SANS SHIRT in 2000 space-rescue picture *Supernova*.



PERSIS KHAMBATTA

Star Trek (1979)

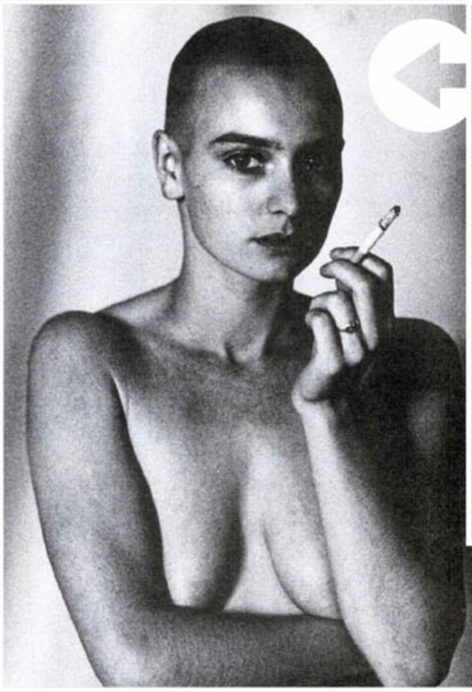
GEEKS of a certain age reminisce fondly about Indian beauty queen Persis' turn in this mind-numbing film that seems to go for about 10 HOURS. Her character, Lt Ilia, is a Deltan, an alien species known for two things: their follicle-free scalps and their "HIGH SEXUALITY". Seriously, we're not making this stuff up!



EVA ANGELINA

Porn promo

THERE'S something about an X-rated honey with a BUZZ CUT that turns the kink factor up to 11. It also means there's much less chance of standing, kneeling or MACHINE-GUN SPOONTING on Cali gal Eva's hair.



SINEAD O'CONNOR

Classic B&W portrait

THINK about baldy babes and the celeb who immediately springs to mind is controversial Irish pop singer Sinead. Her intense nature, GENEROUS NORKS and famous absence of strands up top are perfectly captured in this shadowy photograph from back in the day.

TILDA SWINTON

Doctor Strange (2016)

USE your imagination to combine Tilda's tatas in 2003 crime drama *Young Adam* with her CUE-BALL PERSONA from mystical superhero romp *Doctor Strange* and you've got yourself a gorgeous, non-hairy, non-shirty imaginary playmate!

KAREN GILLAN

Guardians Of The Galaxy (2014)

KAZ fair dinkum shaved her skull to portray Nebula in *Guardians*, proving it by WHIPPING OFF HER WIG at a nerd convention. As the blue baddie, she was even more enticing than when she'd served up a slice of sideboob in rom-com *Not Another Happy Ending* (2013). Respect.

NELL McANDREW **Classic glamma shot**

NOW devoted to competitive running, Brit stunna Nell set the pin-up world on fire in the late 90s/early 00s – first on Page 3, then as the official cosplayer of *Tomb Raider* heroine Lara Croft, then in every lads' magazine under the sun. For an assignment in Germany, she was asked to go the full MISTER MAGOO.

SHERIDAN SMITH

The C Word (2015)

ENGLISH rose Sheridan pops up everywhere – from a minor part in fantasy blockbuster *The Huntsman: Winter's War* to narrating Bear Grylls series *Mission Survive* to starring in hit stage musicals to doing a topless KOJAK IMPRESSION in this telemovie.

She'll be missed

HARRY'S missus had died and he was a mess at the funeral. He kept crying, pulling his hair and wailing, "What am I gonna do?! What am I gonna do?!"

The priest came over and said, "My son, I know this is hard, but eventually the pain will go away and you'll find another fine woman, marry again and move on."

"Yeah, yeah. I know all that," Harry sobbed. "But who's gonna cook me dinner and let me root her TONIGHT?"

Pisshead is out of this world

AN ALIEN walks into a bar, sits down and orders a beer. Once he's done, he runs down the counter and spits in Doug the bartender's face.

Doug is so shocked he does nothing.

The alien goes back to his seat and orders another beer. Again, once he finishes his drink, he runs back down and spits in Doug's face.

The bartender has had enough by now and says, "Oi! If you do that again, I'll pull down your pants and rip off your nuts!"

The alien orders a third beer, drinks half, runs to the end of the counter and again spits in the bartender's face.

Doug fires up and yells, "That's it, you little prick!"

He jumps the bar, pulls down the alien's pants, stares for a second and exclaims, "If you don't have a penis or nuts, how in the world do you go to the toilet?"

The alien grins, drains his beer in one gulp and spits in Doug's face.

Ears to you, madam

AFTER her fifth child, Carol decided to have cosmetic surgery to tidy up "down below".

Following the operation, she awoke to find three roses at the end of the bed.

"Who are these from?" she asked the nurse. "They're nice, but I'm a bit confused as to why I've received them."

"Well," said the nurse, "the first is from the surgeon – the operation went so well and you were such a model patient that he wanted to say thanks."

"Ahhh, that's really sweet" said Carol.

"The second is from your husband – he's delighted the operation was such a success and can't wait to get you home. Apparently, it'll be the first time he's touched the sides for years and he's very excited!"

"Brilliant!" said Carol. "And the third?"

"That's from Eric in the burns unit," said the nurse. "He just wanted to say thanks for his new ears."

Breakfast spreads

TWO couples meet at a fancy hotel for a weekend of wife-swapping. The husbands agree to a friendly wager. At breakfast, they'll tap their teaspoons on the side of their coffee mugs to denote the number of times they fucked each other's wives.

Johnno smiles, thinking he's already won the bet 'cos his own missus is on the rag.

Next morning at brekkie, Johnno proudly taps his spoon three times against his mug.

Fred picks up his spoon, grins and taps it once on the strawberry jam and three times on the Vegemite.

Kidding around

A WOMAN walks into a Centrelink office with 15 kids in tow.

"Wow!" the social worker exclaims. "Are they all yours?"

"Yeah," sighs the mother, having heard the question a thousand times before. She says, "Sit down, Terry."

The children rush to find seats.

"Well," says the social worker, "I'll need all of your children's names."

"This one's my oldest – he's Terry. And this is my youngest – she's Terri."

The social worker raises an eyebrow but continues writing. "And here we have Terry and Terri and..."

"All right," interrupts the social worker. "I think I'm seeing a pattern. Are they ALL named Terri or Terry?"

"Yes," says the mother. "It makes my life easier. When it's time to get them out of bed and ready for school, I yell, 'Terry!' And when it's time for dinner, I just yell

BILL stumbled into the pub, covered in blood and looking the worse for wear.

"What's wrong, mate?" asked his mate.

His envious mates peppered him with loads of filthy questions.

Slippery slope

A WOMAN slips getting out of the shower, does the splits and suctions herself to the bathroom floor. She tries to get up, but the seal is too strong. Panicking, she calls her husband. When he's stopped laughing, he grabs her under the arms and tries to lift her.

But it's no use – so he calls the bloke next door, who's a tradie. The surprised neighbour suggests chipping away the tiles underneath her with a chisel, and offers to go and get one.

The husband nods and says, "While you do that, I'll play with her tits."

"Not exactly the time for that, is it?"

"No," replies the hubby, "but if I can get enough lubrication going, we can slide her into the kitchen where the tiles are cheaper."

TOM CLANCY'S GHOST RECON: WILDLANDS

Ubisoft, rated MA, out Mar. 7, RRP: $99.95 (PS4/Xbox One)

What's the guts? In the near future, an elite US military unit, "The Ghosts", are sent to Bolivia to take down a drug cartel, Santa Blanca, and expose the connection between it and the government. Oh, and kill the cartel's chief bastards, torturers La Yuri and El Polito. Along the way, The Ghosts have to deal with desperate rebels and the corrupt local military while completing various side missions. The big challenge is to stay alive and successfully finish the game. Easier said than done, champions!

Anything else? There are 10 instalments. TEN! Obviously, gaming fans have taken a shine to this franchise, which is understandable as it's FANTASTIC. *Wildlands* is the first military shooter set in an open world and is playable in single-player mode or four-player co-operative multiplayer. What's the guts? It's not so big now, but back in the 1980s EVERYBODY was snorting cocaine. Just ask your local priest if you don't believe us. Anyway, this movie – based on a true story – is set in 1984 in a rich Yank private school. A student decides to earn some cash by selling drugs to his school chums. Before you know it, he and his mates are knee-deep in Peruvian marching powder, untraceable banknotes and BLOOD, courtesy of the unfriendly types they have to deal with from the South American drug cartels.

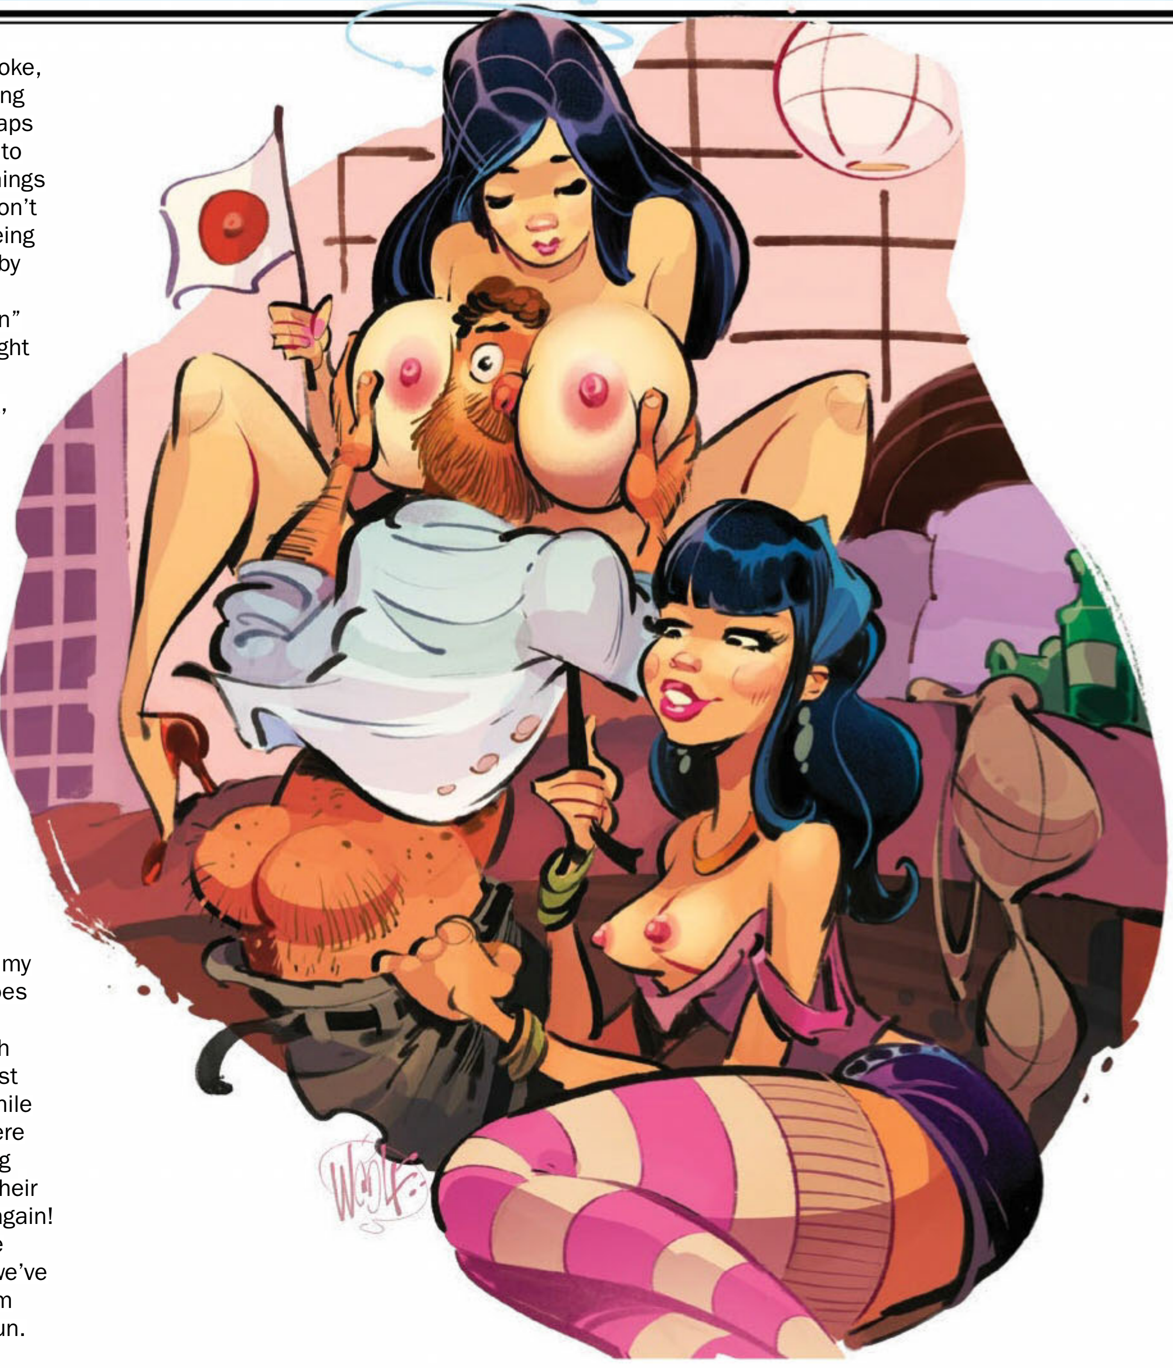
Jeezus, that's awful. What was your reply?
"I tweeted back, 'It didn't hurt – it was fun. I BANGED all the girls, too.'"
Haha. Good comeback, mate. So why did you dump him in the first place?
"I hated being told what to do. It made me rebel and go crazy."
Fair enough. What's fun for you outside of work?
"I'm super into fitness and working my ass off at the gym. But I need my wine and my vape."
Gotcha. Future plans?
"I hope the weather's nice tomorrow. I wanna smoke out and hit the beach."
Nah, mate, we meant for this year.
"Oh. Well, my goals for 2017 include shooting for as many magazines and websites as I can. I'm hunting for an agent who can make this happen."
Well, you've made a good start by appearing in *People*.

‘MY SEX-DRIVE IS HIGHER THAN 90% OF GUYS’



LAND OF SURPRISING FUN

I'M AN average-looking bloke, but during my stint teaching English in Japan, I got heaps of chicks. Why? Because to them, I was exotic. The things women back here in Oz don't always like about me – being hairy and a bit on the tubby side – they LOVED!

I first realised my "gaijin" (foreigner) appeal on a night drinking with workmates. By the end of the evening, it was just me and TWO CUTE LOCAL BABES who had joined our group at some point.

Kei and Yuri spoke only broken English, but I understood perfectly when they told me they wanted to take me back to their apartment.

Of course, it was tiny, but I didn't care when two gorgeous Japanese gals were handing me beers and getting HANDS-ON.

At some unspoken signal, Kei and Yuri undressed me, taking off my shirt and tie, then my shoes and suit pants.

Next, they stripped each other. Kei had the pointiest little pair I'd ever seen, while Yuri…well, if you think there are no Asian lasses hiding HUGE MILK JUGS under their business blouses, think again!

Both ladies sported the typical BUSHY PUSSIES we've all seen in porno vids from the Land Of The Rising Sun. (Trivia: many believe it's bad luck to be shaven down there.)

Never having been in a threesome, I was worried about messing up, so I started by MOTOR-BOATING each spunk in turn, making them giggle.

This led to me pashing sweet-breathed Yuri while fondling her enormous boobs, and while – sweet baby Jesus – Kei freed my thick cock, then began WANKING AND SUCKING it with gusto!

Before I blew my wad, I gently pushed Kei away from my glistening knob and the hotties switched places. As I started kissing Kei all over her neck and petite perkies, Yuri rubbed my thick shaft BETWEEN HER WHOPPERS until I went off like a geyser.

'YURI RUBBED MY SHAFT BETWEEN HER WHOPPERS'

From there, things took a turn for the kinky. I'll save that for my next letter!

PILOT ERROR

SAM knew I was desperate to ENTER HER EXIT and, after six months together, she agreed to try anal with me on the condition I didn’t blab to my mates. She said she didn’t wanna be known as a chick who “took it up the arse”.

When the moment arrived, we were as ready as we’d ever be. Wearing a condom and with plenty of lube on both of us, I guided my stallion into her FUDGE FACTORY.

While I was in heaven, I could tell Sam was a bit overwhelmed by the intense new feeling.

When she finally relaxed, we were able to get into a rhythm that worked for her – and was AMAZING for me.

I pumped away doggy style in Sam’s SUPER-TIGHT butthole until I filled the franger with my taddies.

‘I GUIDED MY STALLION INTO HER FUDGE FACTORY’

Later, I asked Sam if she’d enjoyed it. She said she wasn’t sure, but that it was better than she’d imagined. Would she do it again? Maybe. I was STOKED.

In my excitement, I couldn’t resist proudly SMS-ing a buddy from work: “GOT MY BROWN WINGS WITH SAM!”

Except I accidentally sent the text to the wrong person. I sent it to Sam.

That was pretty much the end of the relationship.

LEZBEAN STEW

WHEN I crashed at my gal pal Amy’s joint after a winter’s night of clubbing, I didn’t expect it would lead to me SWITCHING TEAMS!

With the booze wearing off, we realised (a) how hungry we were, and (b) how incredibly cold it was.

I had a hot shower while Amy made us bean stew and toast. Then she showered while I got under a couple of blankets on the lounge.

Tired from all the dancing, I fell asleep instantly…only to wake up in the middle of the night, half-frozen.

I tiptoed into Amy’s room and called her name softly. When she groaned in response, I said, “It’s too cold out there – can I SHARE YOUR BED?”

‘HER RIGHT HAND EXPLORED MY THIGHS AND THEN MY VADGE’

Without a word, Amy lifted the covers and I dived under. My BFF snuggled into me, “Warm now?” she asked. I laughed.

“What about now?” she rolled on top of me, straddling my skinny bookworm legs with her athletic netballer’s ones. I looked into her eyes and saw a WICKED GLEAM. I nodded.

“What about now?” Amy stuck her tongue down my throat as her right hand explored my thighs and then my vadge.

It felt so good all I could do was lie there, head back, and moan as she covered me with kisses and FINGERED ME TO ORGASM.

When she repeated the feat with her HOT TONGUE, I thought my brain was gonna explode.

I’ve only been back to my old flat once since that fateful sleepover – to pick up my stuff!

DRIVE-BY ROOTING

NOT gonna lie – I went to the party ’cos I knew my ex Lisa would be there cutting loose. And that meant I was a CHANCE OF A FUCK for old time’s sake, despite the fact she was now dating some rugby-playing uni engineer.

I parked a street away and headed over to the beano carrying a cheap sixpack I’d grabbed from the bottle-o on the way.

Sure enough, there was Lisa in the middle of a bunch of admiring fellas, skolling an RTD and flirtily flashing her CHAMPION CLEAVAGE.

“Remember me?” I asked, slipping an arm around her waist and guiding her away from the lads, who gave me death stares.

“Hey, you’re not allowed to do that anymore!” Lisa mockingly protested, depositing her bottle on a side table piled with empties. “We broke up.”

“Yeah, but I’ve been missing you like crazy, Lise,” I said, moving my hand down to her PEACHY ARSE.

“You only miss the roots!” she teased, poking my chest, before adding. “It was great sex, though…”

Five minutes later, I was furiously taking her FROM BEHIND in a stranger’s bedroom – her hands on the wall, my hands on her big, round choozzies, and my pork sword being repeatedly buried to the hilt in her VELVET SMOO.

‘FIVE MINUTES LATER, I WAS TAKING HER FROM BEHIND’

Fifteen minutes later, balls emptied and Lisa satisfied, I was running to the car, clutching the sixpack.

The last thing I heard as I bolted out the back door was an ANGRY RUGGER BUGGER yelling, “Where is he? I’ll fuckin’ kill the bastard!”
